116 Dobson Road
Mars, PA 16046

MISSION TRIP VISION

We are sponsoring a leadership conference, providing transportation, meals and care packages for church planters.

These pastor's work and minister in very difficult situations; most are very poor and do not have many opportunities for training so we make it a very special week for them.

Most of our time will be spent teaching, imparting, encouraging and praying for these wonderful servants of God. We will also get out into the field to visit some church plants and minister one-on-one to specific needs. We will be involved in helping to plant new churches as well.

There is no place like Cuba!

Questions: Contact your church leader,
Duane Goodling – duane@thinkmissions.org or
